

Amendment to Commercial Conditions of Contract – Com- 5 SG

ALFA INFRAPROP PVT LIMITED

2 x 660 MW Supercritical Thermal Power Plant at Komarada Village,
Vizianagaram District A.P. India

Commercial Conditions of Contract Volume – I Steam Generator & their Auxiliaries SPECIFICATION No. TCE-6015A-C-510-001

The issue of Geotechnical investigation report has got delayed; as a result Bidders' may not be able to assess the detailed volume of the Civil Works. As per the tender specification, civil works is optional.

The Tender specification in Volume – I, Section A-2 and clause no 1.3 is reproduced below.

“The following works namely –

- i) Civil works
- ii) DCS System

are optional and award of the above items are at sole discretion of the Owner. It is mandatory for the Bidder to quote under I&C works for the DCS system as a part of the scope. However it is not mandatory for the Bidder to quote for the civil works”.

Amendment is issued with regard to bid submission:-

“The Bidders' are requested to submit their Bids for Steam Generator and their auxiliaries **excluding Civil Works** by the Deadline for Submission of Bid as indicated in Amendment- Com 3 SG”.

If Bidders' are interested to submit their offer for the Civil Works, they shall confirm the same in their covering letter which is being submitted for the Steam Generator in Envelope 1. Such Bidders' on receipt of the Geotechnical report shall submit their offer for the Civil Works.
